COLDWELL BANKER | ISLAND ESCAPES

NEW TENANT

Utilities & services

8314 Serenity Ct

Corpus Christi, TX 78414

ESI ID
1003-2789-4349-151-05

Please put electricity and city utilities in your name before move-in, as your lease requires. Start them a few business days ahead of your lease start date so service is on when you arrive.

HAVE READY Signed lease | Photo ID | ESI ID | Move-in date

ELECTRICITY

You choose the retail electric provider. Most will ask for a copy of your lease.

- Compare plans at **powertochoose.org**. Look at the 1,000 kWh price, and choose a term that fits your lease.
- Give them the ESI ID above. It identifies the meter. It is not an account number. Ask them to read this service address back before you enroll.
- Set the start date to your lease start date, a few business days before you arrive. A deposit or credit check is common.

WATER, TRASH & RECYCLING

The City of Corpus Christi bills these on one account: water, wastewater, trash, recycling, and stormwater. Do not open a separate trash account.

- **Start service online**, or call 311. Outside Corpus Christi, call (361) 826-2489.
- Have a signed lease that shows this address and your start date.
- Trash (brown or green cart) is weekly. Recycling (blue cart) is every other week. Carts stay with the house. **Check your pickup days**. Missed pickup: call 311.

NATURAL GAS

Heat at this home is electric. Before you order gas, call 311 and ask whether this address has a gas meter. If it does, Corpus Christi Gas is added to the same city utility account. If it does not, skip gas.

INTERNET & CABLE

Optional, and your choice of company. Ask the provider to confirm it serves this address, and book installation before move-in. Appointments often take several days. Some companies ask for the lease.

MAIL

- File a change of address at **usps.com/move**.
- For where to collect mail, take your lease and a photo ID to the post office that delivers this address. A nearby office is Southside Post Office, 6742 Weber Rd, Corpus Christi, TX 78413.
- They will confirm where your mail is delivered. If the neighborhood uses a cluster mailbox, USPS issues the keys. We do not have mailbox keys, and we cannot replace them.

ALSO FOR THIS HOME

- Yard care is your responsibility.
- Bring a refrigerator, washer, and dryer. They are not provided.

We strongly recommend renters insurance for the full lease. It covers your belongings and your liability. The owner's policy does not.
