COLDWELL BANKER | ISLAND ESCAPES

Utilities and Other Services Information

As a tenant, you are responsible for having the following services switched over and put into your name, per the lease agreement, upon move-in. Below is some information we gathered to help make this a little easier for you.

Most of these providers will ask for a copy of your lease in order to set up the service for the home.

We highly encourage you to obtain renter's insurance for the duration of your lease.
